in which Incomplete was received

University regulations require an Incomplete to be fulfilled within one calendar year immediately following the end of the term in which it was assigned regardless of whether or not a student maintains continuous enrollment. Extension of this time limit is ordinarily not granted; however, a student seeking to extend the limit should document the reasons why he/she believes an extension is justified and the amount of additional time requested. Requests for an extension of time to fulfill an Incomplete should be filed PRIOR to the end of the calendar year which follows the original assignment of the Incomplete. THE MAXIMUM ALLOWABLE EXTENSION IS ONE YEAR.
