

Riki Nieman
CNA Los Angeles Branch Vice President

Riki Nieman currently serves as the CNA Los Angeles Branch Vice President where her responsibilities include profit and loss, agency management, sales execution, as well as building and developing talent. Riki has more than 20 years of experience in the insurance industry.

Prior to joining CNA, she worked at ACE (Chubb) where she served as National Segment Leader, Vice President, for the Southwest Region. In this role, she was responsible for managing National Accounts, defined as accounts with revenue greater than \$1 billion. Riki began her career in claims and transition to underwriting with various reinsurers. She also held several Sales and Marketing leadership positions at AIG.

Over the course of her career in the Southern California and Southwest marketplace, Riki has demonstrated success in a diverse range of claims, underwriting, sales and marketing, distribution management, and segment management roles.

Riki has a bachelor's degree in business management from San Diego State University.
