

LEARNING RESOURCE CENTER

JOB DESCRIPTION

Web Content Creator / Computer Technician

California State University
Northridge

The Learning Resource Center serves students needing assistance in courses or desiring to improve skills such as reading, writing, note taking, test taking and study strategies — skills necessary for effective university-level learning. The Center also provides services that support, supplement and enrich the University's regular academic curriculum.

In a fast-paced environment, the LRC Computer tech maintains computers, servers, and backs up systems, databases, and other technological software and equipment. The LRC Computer tech also helps to create and maintain database for statistics and data entry, troubleshoots computer, network, and software errors, and must be competent in graphic design.

Knowledge of standard office equipment (printers, copiers, scanners, etc.) and graphic design skills (manipulation of text, shapes, and images, in Photoshop and/or other graphic design software) are expected.

Personable Qualifications

Computer Technician must exhibit:

- Effective and positive communication with staff
- Solid independent and collaborative work ethics
- Multi-tasking capabilities (e.g. handle large volumes of network and computer problems)
- Responsibility, dependability and punctuality
- Professionalism in attitude and dress

Technical Qualifications

Computer Technician must have functional knowledge of:

- Adobe Creative Suite
 - Adobe Acrobat, Reader
 - Microsoft Office Suite (All programs)
 - Basic design of literature, publication, and advertisements
 - Web coding and design
 - Social Media knowledge and proficiency recommended
 - Mac and Windows OS
-

Prerequisites to Employment

- Enrollment at CSUN (minimum 6 units)
- Available for regularly scheduled in-service training and staff meetings (mandatory)
- Examples of graphic design artwork (mandatory)

Salary

- \$12.00 to \$15.00 per hour depending on experience
-
