Coffee with the Principal and special visit from Councilmember Felipe Fuentes

Where
Montague Charter Academy
1300 Montague St.
Pacoima CA 91331

Northeast Valley Health Corporation's Choose Health LA Kids, Montague Charter Academy, and Youth Policy Institute are working together to meet parents' demands. We are seeking healthier alternatives for fundraising to support wellness programs that will help our kids grow healthier and happier.

Along with efforts to implement a healthy fundraising policy, the CHLA Kids program is also dedicated to provide nutrition, parenting and physical activity education through our Healthy Parenting Workshops, Grocery Store Tours, and a Parent Collaborative.

NORTHEAST VALLEY HEALTH CORPORATION

is committed to improving nutrition, increasing physical activity and reducing obesity in our community.
