

Community Service Inventory

Faculty and staff may use this form to report service activities undertaken in the regional community. The purpose of this form is to make convenient the reporting of service and to build a campus wide inventory of community activities so that the “CSUN Effect” may be communicated effectively with stakeholders.

Please take a moment to complete the form. When you have finished, please click the submit button. You may electronically save a copy of this form and/or print a copy for your records. Submit one form for each service project you have engaged in this academic year.
