## 2024 Staff Service Awards - Honorees

The California State University Northridge 58<sup>th</sup> Annual Staff Service and Recognition of Excellence Awards Event recognizes employees who have achieved milestones in five-year increments of dedicated service to the University. Please review the following list of recipients. Should you have any questions, please submit the [2024 Staff Service Award Honoree List Inquiry Form](#).

Staff Service Awards are intended to honor employees, including the valuable service provided by our long time hourly, emergency hire, and less than ½ time employees. Breaks in service of over one year result in a new eligibility period. The calculation for the Staff Service Awards is not the same as calculations for benefits such as State Service Months for CalPERS.
