CSUN Assessment Assessment Workload Infographic

1 Onboard
3-minutes to read email communication from College Assessment Lead.

2 Q&A Session
15-minute virtual meeting (optional) with College Assessment Lead.

4 Import ILOs to Canvas
10-minute training provided by OAAPR or 3-minute reading of guide sheet or 2-minute video review.

3 Select ILOs
Less than 5 minutes if identified while preparing course syllabi.

5 Assess Artifact While Grading
Time varies depending on the number of ILOs selected. It takes 4 seconds to score each student artifact while grading (30-45 minutes for large classes).

6 Review Results & Report
Less than 3 minutes to review results in Canvas. Report on your experience (optional). Faculty participate every 3-5 years.
