CSU CHANGE MANAGEMENT COMMUNITY OF PRACTICE

The CSU Change Management Community of Practice (CM CoP) will be hosting quarterly meetings, and all CSU employees involved in project and/or change management are welcome to attend.

Our purpose is to provide valuable information and useful resources about change management, to increase your knowledge, effectiveness and outcomes. During these meetings we share best practices and discuss current and upcoming changes going on at your campus. Through this regular dialogue, we are able to extend our support network, establish common practices and develop a powerful community of change ambassadors!

So save the dates for the upcoming CSU CM CoP meetings, we are looking forward to seeing you.
