*at addressing GI 2025 priorities focused on achieving racial equity in our institutional outcomes. In alignment with CSUN's Roadmap to the Future, Dr. Freddie Sánchez and Dr. Marquita Gammage created a culturally responsive and equity-centered design thinking model to collect campus-wide feedback and developed recommendations to address equity gaps by implementing student facing support for marginalized student populations.*

*In May 2022, President Beck charged The Office of Student Success and the Division of Student Affairs to utilize a phased in approach to adopt key Identity-Based Resource Centers (IBRC) recommendations to positively impact GI 2025 Equity priorities. In this session, Dr. Melanie Bocanegra (AVP of Student Success) and Dr. Freddie Sánchez (Interim AVP of Student Affairs, Equity and Inclusion) will share the proposed framework for implementing phase 1 of the IBRC report to continue the transparent, campus-wide approach to transformational change.*
