CSUN Speak

Yes... many universities/colleges are similar, but each is unique, so here are a few notes about how/why CSUN speaks.

- **EMAIL:** is the standardized way of CSUN Communicating with you.
- **TITLES & CLASSIFICATIONS**
 - Academic Advisors vs. University Counselors
 - Colleges vs. University
 - Major/Minor, Depts, Programs, Options, Specializations, Emphasis, etc.
 - Students, Staff, Faculty, Administrators, Instructors, etc.
 - CANVAS used by most, not by all

Protect your Identity

Tips to protect yourself from Identity Theft

- Secure your SSN#: CSUN will never ask you for your Social Security Number through email or over the phone
- Memorize your passwords: Never write them down or carry them with you
- Consider shredding documents
- Unauthorized charges: Watch your bank statements for unauthorized charges. If you see any suspicious activity, report it immediately

Student Conduct Code

Title V, California Code of Regulations, § 41301.
Standards for Student Conduct

Notable issues surrounding the Student Conduct code include:

- Academic Dishonesty – Cheating and Plagiarism
- Hazing
- Unauthorized Entry
- Substantial Disruption of Normal Operations
- Disorderly Conduct (lewd acts, indecent/obscene behavior, threats, etc.)
- Illegal drugs (use/distribution, etc.)
- Alcohol (use/public intoxication, etc.)
- Misuse of Resources

Policy on Alcohol & Illicit Drugs

- Alcohol, Tobacco, and Other Drugs Policy –
“The manufacture, possession, distribution, sale or use of alcohol, illicit drugs or drug related paraphernalia, and the misuse of legal pharmaceutical drugs on campus, or off campus while on university business or participating in University sponsored functions, is prohibited.”
- Many people believe that ALL college students drink alcohol. According to the 2019 CSUN National College Health Assessment:
 - 29 % of CSUN students have never used alcohol
 - 98 % of CSUN students said that alcohol did not affect their academic performance
- If you are challenged by your own or someone else’s substance use and would like to speak to someone confidentially, please contact:
Steve Silver, the alcohol and other drugs specialist at University Counseling Services at (818) 677-2366.
