News Brief 2022-23

Featuring the Elementary Education Credential Program

Did You Know That...

The Department of Elementary Education made 415 placements during the 2022-23 academic year: 223 placements in Fall 2022 and 192 placements in Spring 2023. Candidates participated in four credential pathways: the part- or full-time traditional (TRAD) program, the 1-year full-time cohort-based Accelerated Collaborative Teacher (ACT) program, the 2-year Intern Program for on-the-job teachers, or the undergraduate Integrated Teacher Education Program (ITEP). Candidates were placed primarily in Los Angeles Unified School District (LAUSD) schools, including LAUSD Affiliated Charter and Independent Charter Schools.

LINCS (Learning Inspired through Networking and Collaboration with Schools) is driven by a single mission for California State University, Northridge (CSUN): to build and sustain strong linkages between CSUN and local schools. Through networking and collaboration, our institutions share expertise, services and resources. We strive to build productive relationships that inspire learning throughout our community by: (1) establishing and maintaining an asset mapping system, (2) facilitating networking and visibility for school partnerships, and (3) strengthening and building potential new linkages.
