Teacher Credential Candidate Student Teaching Assignments in 2017-18 Did You Know That...

Northridge Academy High School (NAHS), in the Los Angeles Unified School District (LAUSD), was founded in partnership with California State University, Northridge (CSUN) in 2004. Located on the CSUN campus, NAHS plays a vital role in training credential candidates; CSUN consistently assigns student teachers to NAHS each semester and holds professional development sessions for current teachers.

In 2017-18, there were 17 CSUN secondary education student teachers assigned to NAHS in a variety of subject areas and teacher preparation pathways as shown below.

LINCS (Learning Inspired through Networking and Collaboration with Schools) is driven by a single mission for California State University, Northridge (CSUN): to build and sustain strong linkages between CSUN and local schools. Through networking and collaboration, our institutions share expertise, services and resources. We strive to build productive relationships that inspire learning throughout our community by: (1) establishing and maintaining an asset mapping system, (2) facilitating networking and visibility for school partnerships, and (3) strengthening and building potential new linkages.
