## Independent Auditor's Report

The Board of Directors  
North Campus - University Park Development Corporation  
(A California State University Auxiliary Organization)

Report on the Audit of the Financial Statements

### *Opinion*

We have audited the financial statements of North Campus - University Park Development Corporation (the "Corporation"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Corporation's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 20, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 17 to 27 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 13, 2024, on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

# North Campus - University Park Development Corporation

## Notes to Financial Statements June 30, 2024

### Note 1 - Business activity and summary of significant accounting policies

#### **Business activity**

North Campus - University Park Development Corporation (the "Corporation") is a nonprofit auxiliary organization related to California State University, Northridge (the "University") and was formed in 1987.

The 65 acres of University-owned land ("North Campus") is leased from the University, at no annual cost to North Campus, based on the operating agreement with the University that is renewable every five years. The Corporation has set goals in the development of North Campus, including establishing strong academic ties and academic facilities spanning a broad range of the University's colleges and departments, and ensuring a steady, predictable, and safe source of revenue with no financial risk to the University.

The Corporation continues to engage in analyzing and assessing the highest and best use of the property for future development. A faculty and staff housing project is identified and currently in the pre-development phase and the financial viability of the project continues to be evaluated and monitored.

The Corporation became an auxiliary organization of the California State University system in 1988.

#### **Basis of accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Financial statement presentation**

To ensure the observance of certain constraints and restrictions placed on the use of resources, the accounts of the Corporation are maintained in accordance with Accounting Standards Codification Topic 958. Under this standard, resources for various purposes are classified for accounting and reporting purposes into net asset classes that are in accordance with specified activities or objectives. Accordingly, all financial transactions have been recorded and reported by net asset class as follows:

*Net assets without donor restrictions* - These generally result from revenues generated by receiving contributions without donor restrictions, providing services, and receiving income from investments less expenses incurred in providing program related services, raising contributions and performing administrative functions.

Net assets may be designated for specific purposes by action of the Board. At June 30, 2024, the Corporation has \$400,000 designated as a reserve for operations and \$1,500,000 designated as a reserve for the faculty and staff housing project (see Note 8).

*Net assets with donor restrictions* - The Corporation reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time, purpose, or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature where the donor stipulates that resources be maintained in perpetuity. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from purpose or time restrictions. At June 30, 2024, the Corporation does not have any net assets with donor restrictions.

## North Campus - University Park Development Corporation

### Notes to Financial Statements

June 30, 2024

#### **Cash and cash equivalents**

Cash and cash equivalents include cash on hand, demand deposits and all highly liquid investments with an initial maturity at date of purchase of three months or less.

#### **Accounts receivable**

Accounts receivable are stated as unpaid balances less an allowance for doubtful accounts. The Corporation estimates expected credit losses from doubtful accounts based upon the expected collectability of its accounts, which is based on experience and other circumstances. The Corporation had \$0 in allowance for doubtful accounts at June 30, 2024.

#### **Investments**

Investments are reported at their fair values in the statement of financial position. Realized and unrealized gains or losses are included in the statement of activities as investment income (loss).

#### **Fair value measurements**

The Corporation values certain of its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

- Level 1: Quoted priced (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.
- Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

#### **Lease revenue**

The Corporation recognizes lease revenue on a straight-line basis over the term of the respective leases. Deferred rent receivable represents the amount by which straight-line lease revenue exceeds rent currently billed in accordance with the lease agreements. Deferred revenue represents tenant prepayments of rent.

#### **Salaries and fringe benefits**

The Corporation utilizes employees of The University Corporation ("TUC"), a related party, and the University to perform its operations. These costs are billed to the Corporation by TUC and the University. The Corporation subsequently reimburses both entities for the salaries and related fringe benefits. The Corporation has no employees or benefit plans of its own. These expenses are included in operating expenses.

#### **Functional allocation of expenses**

The costs of providing programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between functional services based on personnel time.

## North Campus - University Park Development Corporation

### Notes to Financial Statements

June 30, 2024

#### Income taxes

The Corporation is a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the Revenue Taxation Code of California. Accordingly, no provision for income taxes is included in the accompanying financial statements.

The Corporation has no unrecognized tax benefits at June 30, 2024. The Corporation's federal income tax returns for fiscal years 2023, 2022, and 2021 remain open. The Corporation's state income tax returns for fiscal years 2023, 2022, 2021, and 2020 remain open. Management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. Management has analyzed the tax positions taken by the Corporation and has concluded that, as of June 30, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

If applicable, the Corporation recognizes interest and penalties associated with tax matters as part of income tax expense and includes accrued interest and penalties with accrued expenses in the statement of financial position.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Comparative totals

The financial statements include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Corporation's financial statements for the year ended June 30, 2023, from which the summarized information was derived.

#### Adoption of new accounting pronouncement

On July 1, 2023, the Corporation adopted Accounting Standards Update ("ASU") 2016-13, *Measurement of Credit Losses on Financial Statements* ("ASC 326"), and its related amendments using the prospective method. The new standard changes the impairment model for most financial assets that are measured at amortized cost and certain other instruments, including trade receivables, from an incurred loss model to an expected loss model. Under the expected loss model, entities will recognize credit losses to be incurred over the entire contractual term of the instrument rather than delaying recognition of credit losses until it is probable the loss has been incurred.

In accordance with ASC 326, the Corporation evaluates certain criteria, including aging and historical write-offs, current economic condition of specific customers and future economic conditions to determine the appropriate allowance for credit losses. The adoption of ASC 326 did not result in any cumulative adjustments to the financial statements.

#### Subsequent events

The Corporation has evaluated subsequent events through September 13, 2024, which is the date these financial statements were available to be issued.

## North Campus - University Park Development Corporation

### Notes to Financial Statements

June 30, 2024

#### Note 2 - Liquidity and availability

The Corporation regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Corporation has various sources of liquidity at its disposal, including cash and cash equivalents and marketable equity securities. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Corporation considers all expenditures related to its ongoing activities as well as the conduct of services undertaken to support those activities to be general expenditures.

At June 30, 2024, the Corporation had the following financial assets and liquidity resources available over the next 12 months:

Cash and cash equivalents	\$ 859,376
Short-term investments	<u>1,516,973</u>
	2,376,349
Board designated net assets	<u>(1,900,000)</u>
	<u>\$ 476,349</u>

The board designated net assets can be undesignated and used for operations, if needed.

#### Note 3 - Concentrations

Financial instruments which potentially subject the Corporation to concentrations of credit risk consist primarily of cash and cash equivalents and investments. The Corporation maintains its cash and cash equivalents with high-credit quality financial institutions. At times, such amounts may exceed federally insured limits. The Corporation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

The Corporation's investments are subject to various risks, such as interest rate, credit and overall market volatility risks. Further, because of the significance of the investments to the Corporation's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes in any one class.

For the year ended June 30, 2024, 100% of the Corporation's rental revenues were from two tenants.

**North Campus - University Park Development Corporation**

**Notes to Financial Statements  
June 30, 2024**

**Note 4 - Investments**

At June 30, 2024, investments consist of the following:

Equities	\$ 1,474,984
Corporate bonds	359,096
US government bonds	1,586,341
Mutual funds	<u>712,913</u>
 Total	 <u><u>\$ 4,133,334</u></u>

These investments are disclosed in the accompanying statement of financial position as follows:

Short-term investments	\$ 1,516,973
Long-term investments	<u>2,616,361</u>
	<u><u>\$ 4,133,334</u></u>

**Note 5 - Fair value measurements**

At June 30, 2024, investments are carried at fair value and are classified in the table below in one of the three categories as described in Note 1:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Equities	\$ 1,474,984	\$ -	\$ -	\$ 1,474,984
Corporate bonds	-	359,096	-	359,096
US government bonds	-	1,586,341	-	1,586,341
Mutual funds	<u>712,913</u>	<u>-</u>	<u>-</u>	<u>712,913</u>
 Total	 <u><u>\$ 2,187,897</u></u>	 <u><u>\$ 1,945,437</u></u>	 <u><u>\$ -</u></u>	 <u><u>\$ 4,133,334</u></u>

Valuations of mutual funds are obtained from real-time quotes for transactions in active exchange markets involving identical assets. For the year ended June 30, 2024, there have been no changes in the valuation methodologies.

## North Campus - University Park Development Corporation

### Notes to Financial Statements June 30, 2024

#### Note 6 - Leases

During 1999, the Corporation entered into a 40-year ground sublease with Medtronic MiniMed, Inc. for the development of 19 acres of land owned by the University and leased at no cost to the Corporation. The sublease includes options to extend the original term for one additional period of ten years, followed by six additional periods of five years, with each period commencing upon the expiration of the term of the immediately preceding period. Beginning after January 1, 2040, the Corporation may terminate the sublease upon ten years prior written notice. Upon any early vacation of the subleased premises, the Corporation shall purchase the buildings and improvements at their fair market value as of the date of vacation. Upon expiration of the sublease, all buildings and improvements shall remain on the premises and become the property of the Corporation. The ground sublease was amended effective October 31, 2003 to include an additional five acres for a total of 24 acres. Rental income for the year ended June 30, 2024 was \$555,084. The ground sublease contains provisions for future rent increases every five years based on changes in the Consumer Price Index with a maximum increase of 10% every five years. At June 30, 2024, deferred rent receivable is \$390,999.

On May 5, 2021, the Corporation extended an existing lease with Rydell Chevrolet for storage of vehicle inventory on approximately 3.74 acres of North Campus, commonly known as Lot G-12, through June 30, 2024. The Corporation started leasing additional property adjacent to Lot G-12 on July 1, 2016 on a month-to-month basis to Rydell Chevrolet. Rental income for the year ended June 30, 2024 was \$312,384.

On July 1, 2024 the Corporation entered into a new lease with Rydell Chevrolet for storage of vehicle inventory on approximately 3.74 acres of North Campus, commonly known as Lot G-12 and the additional adjacent property, through June 30, 2027.

The estimated future minimum rental payments to be received under the operating leases are as follows:

	<u>Medtronic MiniMed, Inc.</u>
Year ending June 30,	
2025	\$ 580,248
2026	580,248
2027	580,248
2028	580,248
2029	580,248
Thereafter	<u>6,092,607</u>
Total	<u>\$ 8,993,847</u>

#### Note 7 - Related party transactions

During the year ended June 30, 2024, the Corporation incurred expenses of \$103,690 to the University relating to salaries and benefits. At June 30, 2024, \$0 is due to the University.

TUC is an affiliate of the Corporation. During the year ended June 30, 2022, the Corporation and TUC embarked on the process of developing a faculty and staff housing project on a portion of open land on North Campus. The project title is "Devonshire Downs". Due, in part, to the rising

**North Campus - University Park Development Corporation**

**Notes to Financial Statements  
June 30, 2024**

interest rates and construction costs, Devonshire Downs is on hold until it becomes financially viable. The annual contribution of \$250,000 per year to the University's special projects account, held by TUC, was held back for three years to apply toward Devonshire Downs. With the Devonshire Downs project suspended, the decision was made to retroactively resume three years of the \$250,000 annual contributions. As such, during the year ended June 30, 2024, an amount of \$750,000 was transferred to the university special project account, held by TUC. The Corporation also incurred expenses of \$97,801 to TUC relating to salaries and benefits.

At June 30, 2024, \$9,792 is due to TUC and is included in accounts payable and accrued expenses in the accompanying statement of financial position.

**Note 8 - Board designated net assets**

At June 30, 2024, board designated net assets consist of the following:

Operational reserve	\$ 400,000
Faculty and staff housing project operational reserve	<u>1,500,000</u>
	<u>\$ 1,900,000</u>

Building Devonshire Downs continues to be a goal for the Corporation, therefore during the year ended June 20, 2024, the Corporation set aside \$500,000 for the faculty & staff housing project operational reserve as approved by the Board of Directors. At June 30, 2024, the reserve is \$1,500,000. During the annual budget cycle, additional reserve amounts shall be determined in accordance with the budget year's financial performance.

Independent Auditor's Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

The Board of Directors  
North Campus - University Park Development Corporation  
(A California State University Auxiliary Organization)

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of North Campus - University Park Development Corporation (the "Corporation"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 13, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
