# STANDARD OPERATING PROCEDURES

Physical Plant Management SOP No.: 19-3000

Title:

**P-Card Procurement Process** 

**Department: Effective Date:** 

Financial Services October 15, 2019

### **PURPOSE**

To establish standard operating procedures for Physical Plant Management (PPM) as it relates to procurement of good and services with the Campus issued University P-card.

### **RESPONSIBILITY**

It is the responsibility of PPM employees with University issued P-cards to comply with the P-Card Program Manual and its rules and regulations. All cardholders are required to go through P-card training and agree to its usage for university purposes only. Cardholders are also responsible for all charges on his/her card.

### **PROCEDURES**

#### Purchases:

- 1. Purchase is made by only authorized cardholder.
- 2. Invoice must be issued to CSUN and itemized with description, taxes, and total, etc.
- 3. Work order (or stock number) AND signature of who made the purchase is written on the invoice.
- 4. No taping or highlighting on invoice. Use a paper clip to secure odd size receipts.
- 5. Retain a copy of the invoice for shop/area file.
- 6. Invoice copy is then filed in appropriate folder (by month).
- 7. Original invoice is submitted to PPM Financial Services (Lucy Twitchell, room 107F) and placed in her in-box on the wall.

#### **Reconciling Credit Card Statement**

- 1. Once per week during the month, the cardholder will go to US Bank Access Online to view and approve the transactions. (Please refer to US Bank Access Online SOP)
- 2. Verify that the transactions coincide with the cardholder invoices on file. (Note: Amount on invoices must match statement. If it does not match, please contact PPM Financial Services so that we can assist with contacting the vendor to remedy the difference).
- 3. The monthly statement will be printed for all cardholders on approximately the 19<sup>th</sup> of the month. Verify all charges for the monthly cycle are accurate.

Revised: [10/15/2019 / KR]

- **4.** All charges must be in "Approved" status and sent to Kate Rodriguez (or designated Approver) as "Final Approver", regardless of dispute, fraud, lost receipt, or errors.
- **5.** Financial Services will request any invoices that may be missing, inaccurate, or illegible to be completed before the statement due date set by the University.
