News Brief 2022-2023

Featuring the Special Education Credential Program

Did You Know That...

The Department of Special Education placed credential candidates in 190 field assignments during the 2022-2023 academic year (102 Fall 2022 and 88 Spring 2023). These assignments served credential candidates in five specialization areas (deaf/hard of hearing, early childhood special education, mild/moderate, mild/moderate to extensive needs, moderate/severe) and four credential pathways (1-year full-time ACT Residency Program, full or part-time TRAD Program, 2-year on-the-job Intern Program, undergraduate ITEP Program).

LINCS (Learning Inspired through Networking and Collaboration with Schools) is driven by a single mission for California State University, Northridge (CSUN): to build and sustain strong linkages between CSUN and local schools. Through networking and collaboration, our institutions share expertise, services and resources. We strive to build productive relationships that inspire learning throughout our community by: (1) establishing and maintaining an asset mapping system, (2) facilitating networking and visibility for school partnerships, and (3) strengthening and building potential new linkages.
