

Common Numbered Notes That All Colleges May Use

The following generic Common Numbered Notes can be used by all colleges. The list reflects the notes stored in the SOLAR SA Application on the date this document as revised. For best practices and help with class notes, see the [SOC Self-Paced Guides](#), especially [Add or Modify a Class Section](#) and [SOC Note Fields](#).

Note Questions? See page 3 for contact information.

Common Numbered Notes

- 9934 ESM 196QR is for students whose only CSUN math class will be Math 140: Introductory Statistics. STEM and Business majors should take ESM 099 or other ESM options.
- 9935 To satisfy the ESM requirement, students must earn a grade of Credit (CR) or Required Progress (RP) in an ESM course.
- 9936 This course is reserved for CSUN - Community College concurrent enrollment program.
- 9937 Restricted course. Department consent required to add the class.
- 9938 Restricted course. Instructor consent required to add the class.
- 9939 Field work required. Additional hours assigned or arranged.
- 9940 A few seats in this class are reserved for students eligible to enroll at CSUN through the CSU CourseMatch program.
- 9948 The first course in a two-semester statistics/quantitative reasoning pathway experience.
- 9949 The second course in a two-semester statistics/quantitative reasoning pathway experience.
- 9950 Wait list is not available for this corequisite course.
- 9951 The SOLAR wait list is not available for this corequisite course. Contact the department for wait listing options.
- 9960 UNIV 60, Supplemental Instruction (SI), is a one unit, CR/NC, peer-facilitated study group class designed to help students master the challenging content material of this course. Find out more, go to www.csun.edu/lrc or call the Learning Resource Center at (818) 677-2033.
- 9961 Students enrolling in any section of AAS 113AOP, AFRS 113AOP, CH S 113AOP, or QS 113AOP must also enroll in UNIV 61EOP lab.
- 9962 Students enrolling in any section of AAS 113BOP, AFRS 113BOP, CH S 113BOP, or QS 113BOP must also enroll in UNIV 62EOP lab.
- 9970 Restricted to freshman students with majors in the Mike Curb College of Arts, Media, and Communication.
- 9971 Restricted to freshman student athletes.
- 9972 Restricted to Exploratory freshman students.
- 9973 Restricted to NCOD and Deaf Studies freshman students.
- 9974 This class is part of the nine-unit Child & Adolescent Development Freshman Connection. See your advisor before registering.
- 9975 This class is part of the five-unit Family & Consumer Sciences Freshman Connection. See your advisor before registering.
- 9976 This class is part of the six-unit Health Careers Freshman Connection. See your advisor before registering.
- 9977 This class is part of the six-unit College of Humanities Freshman Connection. See your advisor before registering.
- 9978 This class is part of the six-unit Kinesiology Freshman Connection . See your advisor before registering.
- 9979 This class is part of the eight-unit Math Freshman Connection. See your advisor before registering.
- 9980 This class is part of the six-unit Social & Behavior Sciences Freshman Connection. See your advisor before registering.
- 9981 This class is part of the six-unit Exploratory Students Freshman Connection. See your advisor before registering.
- 9982 This class is part of a six-unit cluster and is restricted to Freshman Connection students only. See your advisor before registering.
- 9983 This class is part of the six-unit David Nazarian College of Business & Economics Freshman Connection. See your advisor before registering.
- 9984 This class is part of the six-unit Anthropology Learning Community. See your advisor before registering.

- 9985 Restricted to EOP FreshStart students.
- 9986 This section is designed to provide specific academic and social support for Black students.
- 9990 This course has seats reserved for First Time Freshmen. Students other than First Time Freshmen may use the Wait List functionality if all unreserved seats are full.
- 9991 This course is taught in a hybrid-flexible format with some students in the classroom and some students on line at the same time. Additional technology may be needed for online participation. Please consult the faculty member for details about meeting patterns and location.
- 9993 This class may have an on-campus requirement. If you enroll in this class and the course is approved for on-campus meetings, you will be expected to come to campus as scheduled. All classes with proposed on-campus meetings are currently under review by CSUN and the CSU system. You will be notified via your CSUN email whether the course has been approved for on-campus meetings. We expect the approval process to be completed about one month before classes begin. See <https://www.csun.edu/undergraduate-studies/faq-virtual-class-meeting-patterns> for more information.
- 9994 COI: This is a Campus Online class (COI) in which most class sessions are presented in an online environment with intermittent face-to-face meetings for activities such as labs, special in-class presentations, exams, or other in-class proofs of competency. Online meetings may be a mix of scheduled meeting times and anytime access. Please consult with professor for details.
- 9995 FOI: This is a Fully Online class (FOI) in which all class sessions and exams are presented in an online environment. FOI courses have no on campus meetings. Online meetings may be a mix of scheduled and/or intermittent meeting times, and anytime access. Please consult with professor for details.
- 9996 This online class requires on-campus meeting(s). Contact instructor for details.
- 9997 This is a Hybrid class (OH) in which students attend class sessions on campus and in an online environment. The class typically meets approximately half online and half on campus.
- 9998 This is a Campus Online class (OC/COA/COS) in which most class sessions are presented in an online environment. Any face-to-face meetings are usually for activities such as orientation, special in-class presentations, exams, or other in-class proofs of competency.
- 9999 This is a Fully Online class (OF/FOA/FOS) in which all class sessions and exams are presented in an online environment. OF courses have no on campus meetings.
