Job Title:	Integrations Developer
Job ID:	540477
Full/Part Time:	Full Time
Regular/Temporary:	Regular
Job Code:	0400 Analyst/Programmer
Job Grade:	Non-Exempt
Salary From:	$3,899 **Salary To:** $5,100 If applicable
Department:	Information Systems & Technology

Major Duties

Under the direct guidance of the Lead Application Developer, the Integrations Developer assists with the development, configuration, and support of integrations and data transfer between CSUN's internal and external systems. The incumbent assists with the design, development, and maintenance of integrations between various systems and platforms.

- Assist with writing clean, efficient, and maintainable code to implement integrations using appropriate programming languages and technologies (e.g., APIs, RESTful services, SOAP, etc.).

- Collaborating with cross-functional teams, including developers, architects, project managers, and business analysts, to deliver integrated solutions.

- Assist in the development of new solutions for CSUN's CRM, ERP, and web presence. This includes writing code for custom applications and contributing to the overall development process.

- Performs other duties as assigned.

Qualifications

- Equivalent to graduation from an accredited four-year college or university in a job-related field.

- Certification training and applied experience may be substituted for required education, on a year-for-year basis up to two years.

- Equivalent to six months of full-time, progressively responsible field-related experience.

Knowledge, Skills, & Abilities

- General knowledge of: programming and testing methods and techniques for software applications, using Boomi, Python, JavaScript, HTML, CSS, PHP, Java, SQL, PeopleSoft, Salesforce, and generally accepted documentation methods. Thorough knowledge of PC/MAC-based web browsers and related tools.

- Ability and specialized skills to: analyze problems; propose effective solutions; understand functional and procedural requirements; relate solutions to management, technical staff, and users; communicate effectively both orally and in writing; establish and maintain effective working relationships with others; make presentations; conduct meetings; provide user training; and prepare programming and user documentation.

Pay, Benefits, & Work Schedule

The university offers an excellent benefits package, including but not limited to; medical, dental, vision, retirement & savings, tuition waiver and more.

The salary range for this classification is: $3,899 - $7,506 per month.

The anticipated HIRING RANGE: $3,899 - $5,100 dependent upon qualifications and experience.

HOURS: Full-Time; 40 hours per week; Monday through Friday

REG: This is a Regular position with a one-year probationary period.

The position is currently hybrid (3 days in office, 2 days remote); however, this is subject to change based on student and/or operational needs.

General Information

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

How to Apply

Candidates should apply by completing the CSUN on-line application utilizing http://bit.ly/HR_CSUN link and must attach a cover letter that addresses the qualifications above and a current resume, including names of three professional references. NOTE: Internal candidates should apply through the portal by accessing the View Job Openings/Apply link on the Human Resources/Employee pagelet.

Initial review begins July 11, 2023 and will be considered in the initial review and review will continue until position is filled.
