RE: CSUN University Intern Program Partnership

The Los Angeles Unified School District (“LA Unified”), like most school districts, is currently experiencing a shortage of available fully-credentialed teachers in numerous subject areas.

As a result, LA Unified has partnered with CSUN to hire and support University Interns to address these shortages. The University Intern credentials for these candidates would be valid for a period of two years. Interns would not be hired or placed in lieu of available fully-credentialed teachers, but would serve as an additional method of combatting teacher shortages in specific subject areas.

I am pleased this further with you, should you so desire. I can be reached via email at bryan.johnson@lausd.net, and via telephone at (213) 241-0570.

Thank you for your time and consideration.

Sincerely,

Bryan M. Johnson, Ed.D.
Director
